Scrum Master

The Problem: Your Networking is Not Working

TIE-IN

Easily lose business cards

Time taxing to exchange
information at event

9/10 business cards are
thrown away in less than a
week!

Solution: Tie-In

TIE-IN

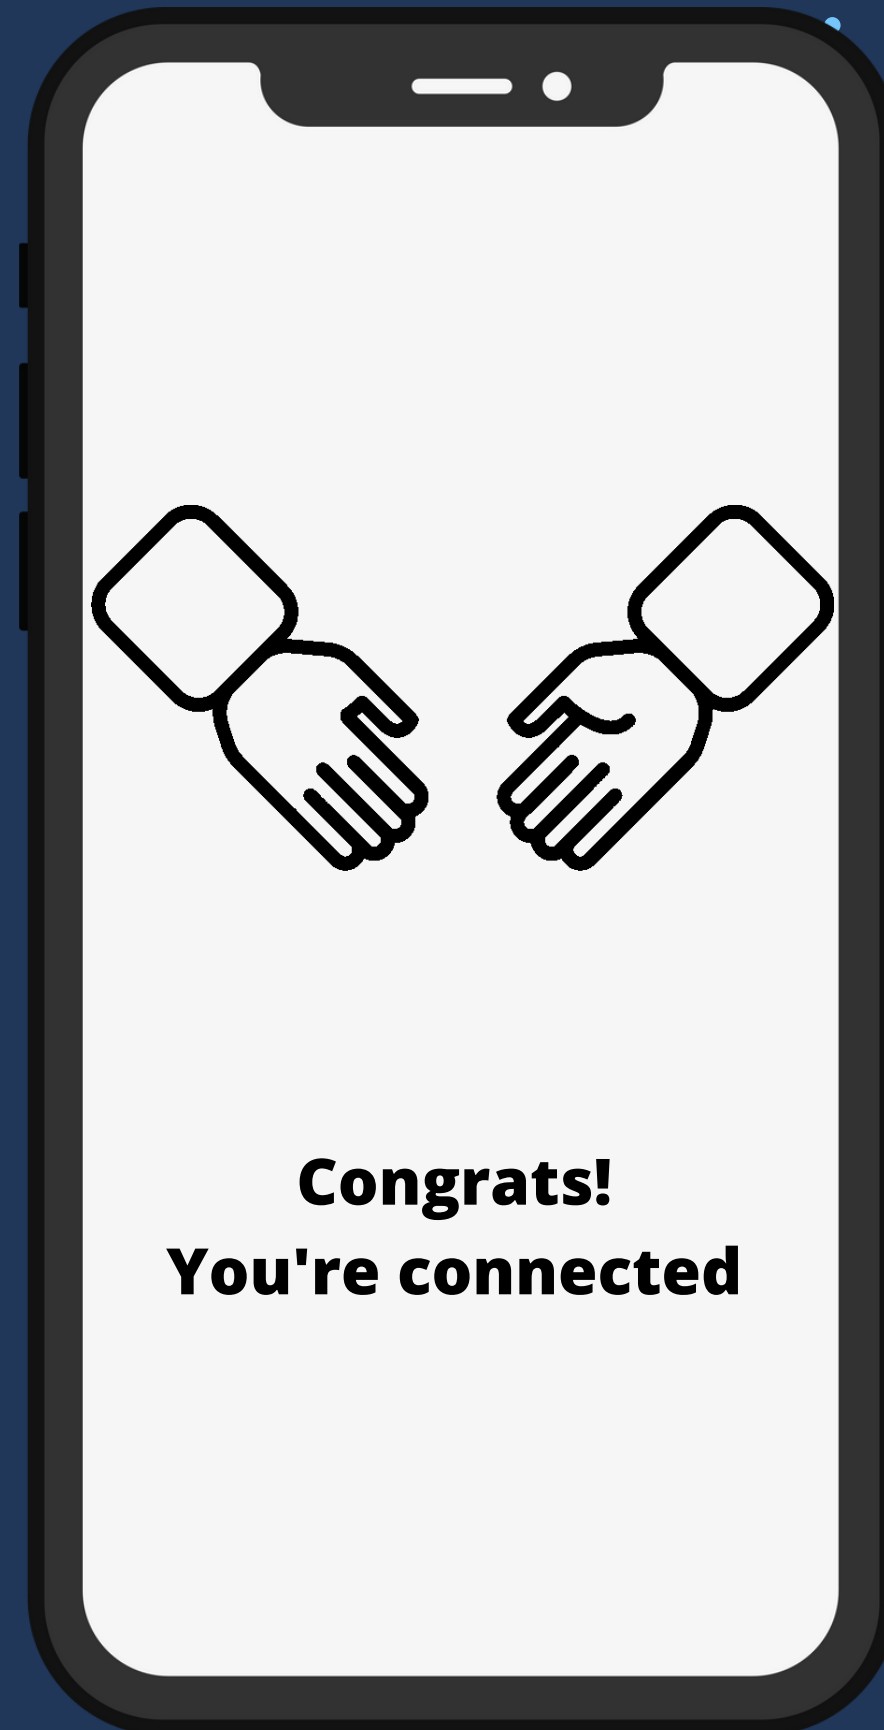

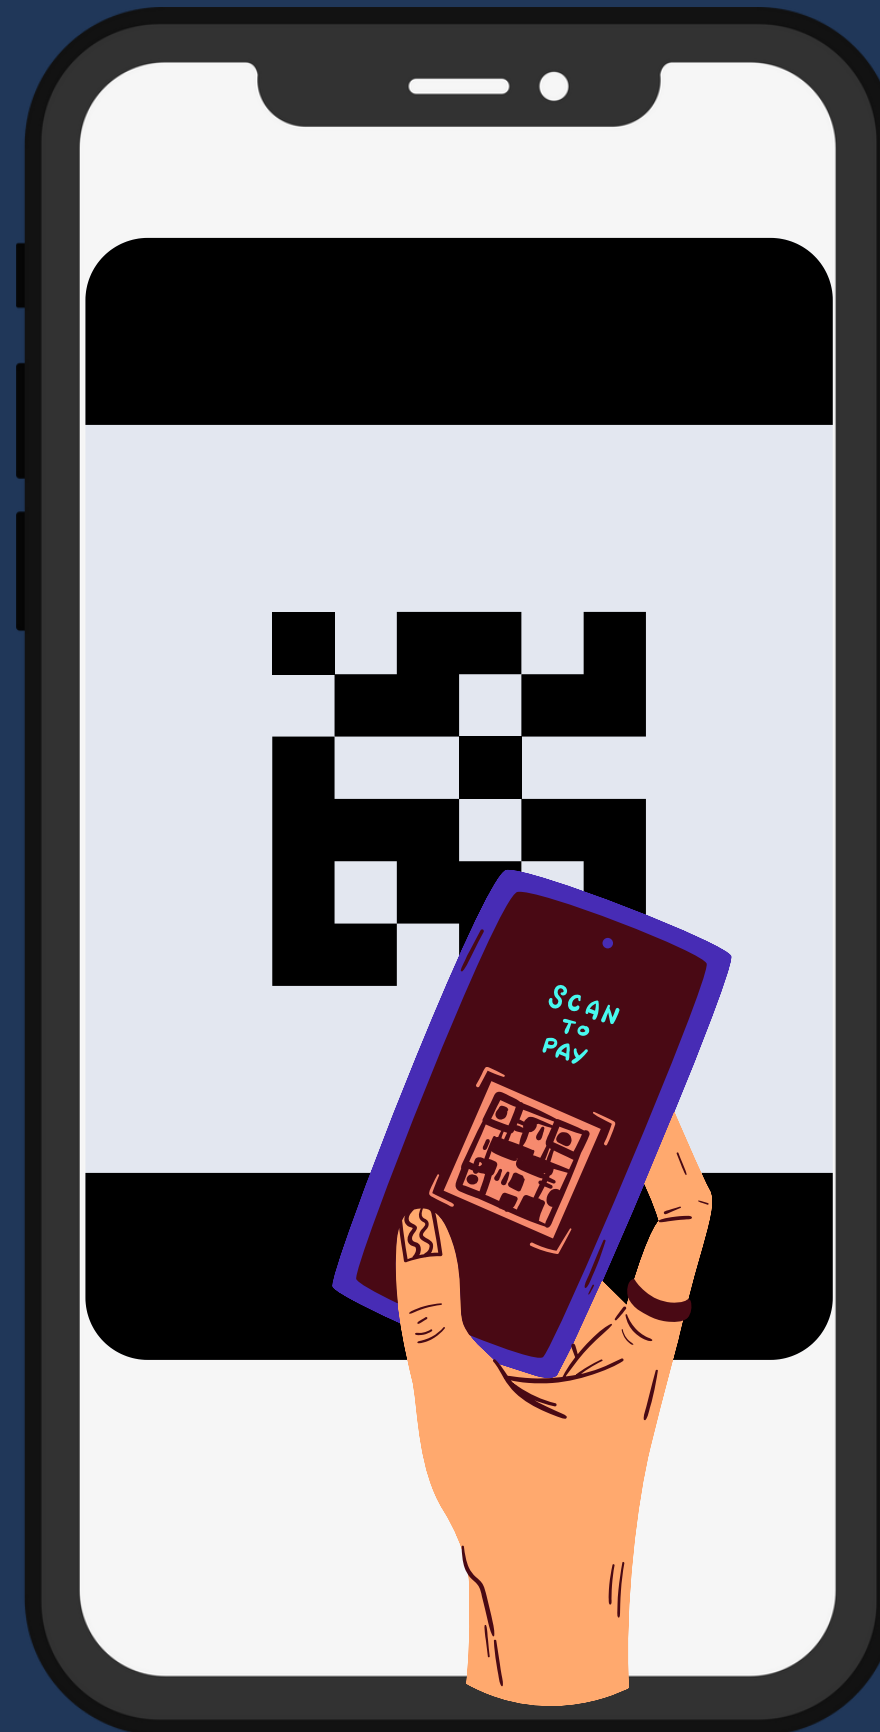

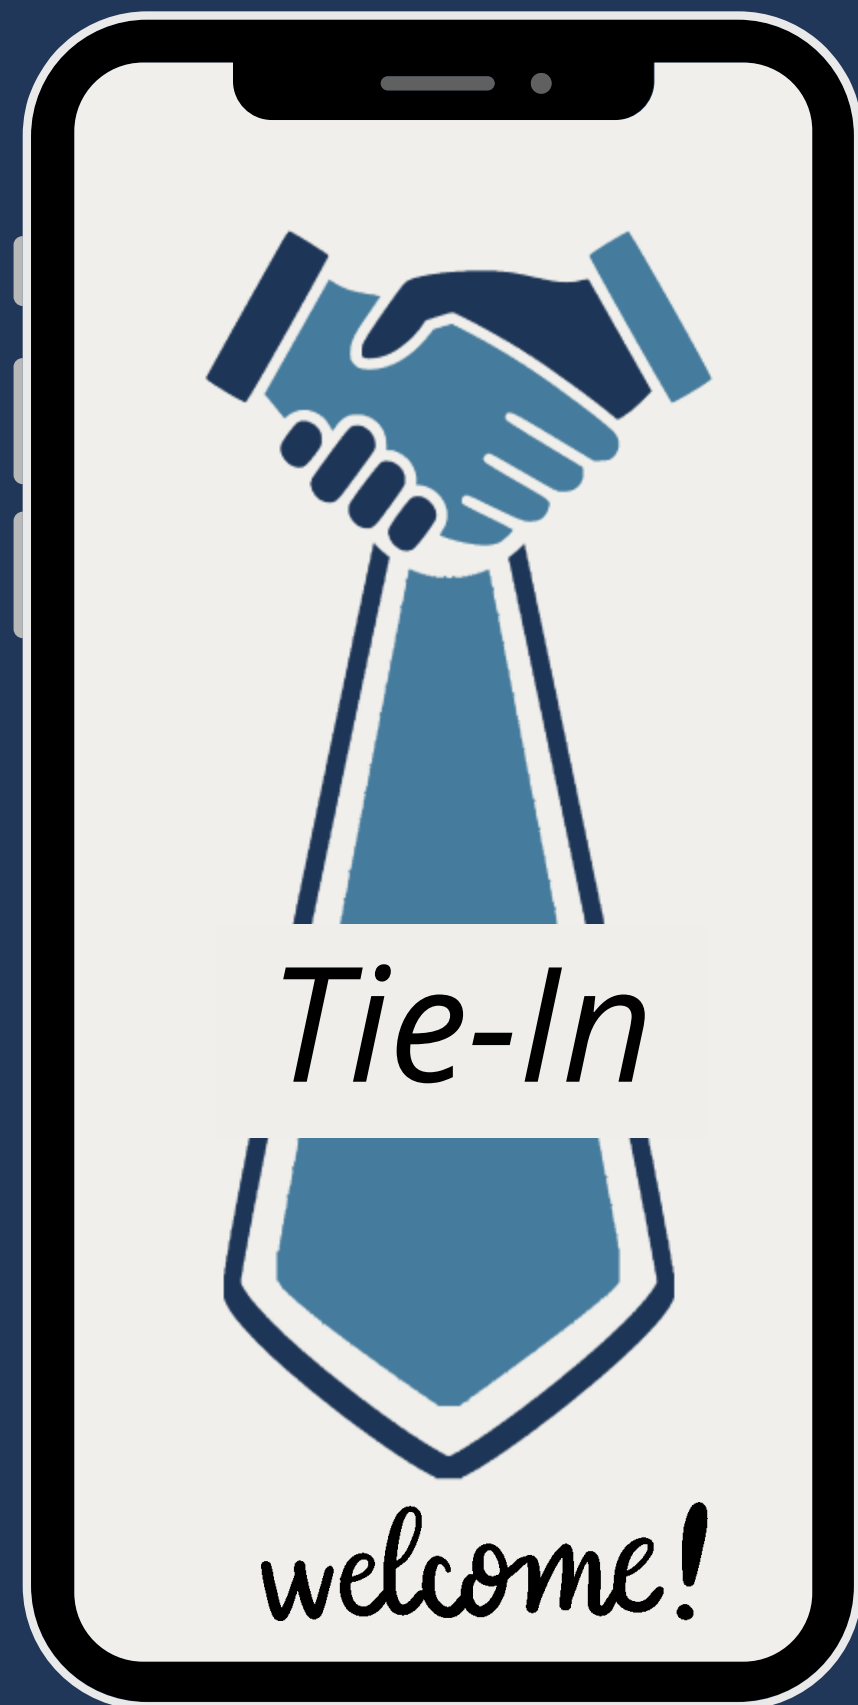

Make quick connections
with just a scan

Aggregate list of
connections

Customizable cards

How it Works

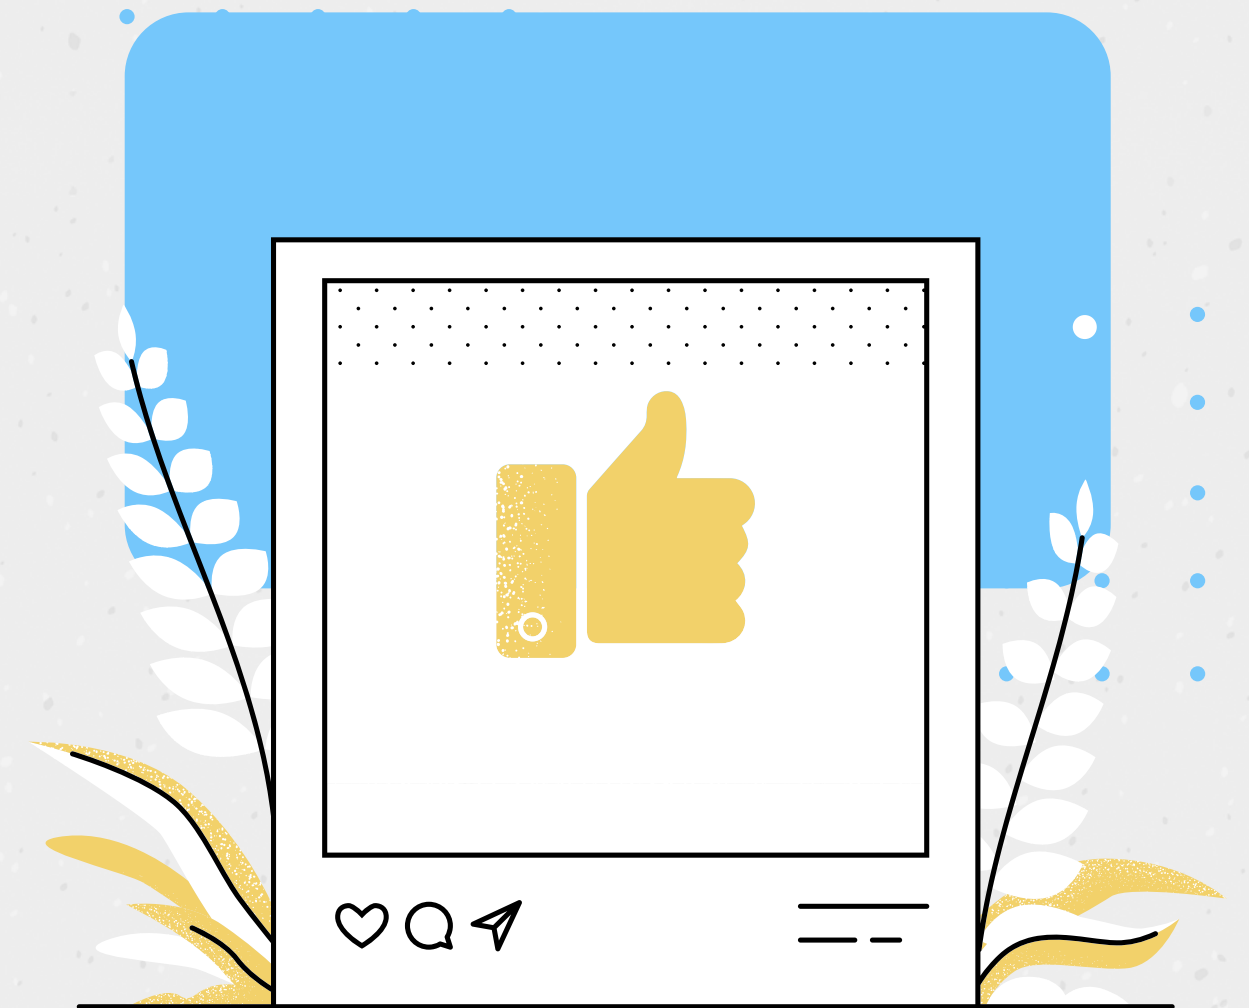

What's Happening Next

**Integrate time and location of
meetup**

**Search feature for connections list
for scalability**

In-app group chat

TIE-IN

Reviews

“I love this product. What a lifesaver!” - Carlos Hidalgo

“This product changes the game for real.” - Coreen Cooper

“Why have I not heard about this before?” - Poonam Dass

"Environmentally friendly and inexpensive, where has this been my entire life?" - Jessica Netto
